

CHRISTOPHER JAUREGUI

FULL STACK DEVELOPER

915 -820 - 3351 | chrisjay629@gmail.com | <https://www.linkedin.com/in/christopherjauregui/> | <https://chrisjay629.github.io/MyPortfolio/>

ABOUT ME

I focus on creating experiences that are impactful to users. I solve day to day problems by starting with research, blueprint designs and teamwork. Then compile my game plan and turn it into code. My knowledge of database technologies and client side languages are not just skills for me, but tools I wish to implement into my journey of life changing new ideas and technology.

WORK EXPERIENCE

FREELANCE WEB DEVELOPER (2017 - CURRENT)

ATX LANDSCAPING PROJECT
CREATED A USER FRIENDLY WEB SITE FOR PEOPLE WITH LOCAL GREENERIES TO DISPLAY SEASONAL ITEMS FOR SALE OR TRADE. IMPLEMENTING JAVASCRIPT FUNCTIONS AND CSS STYLING TO CREATE A FULL BODY OF WORK.

HANGAR LOUNGE GENERAL MANAGER (2013 - 2016)

BUSINESS ACHIEVEMENTS

RUNNING SOME OF THE BIGGEST F1 RACING AND SXSW EVENTS IN THE DOWNTOWN ENTERTAINMENT DISTRICT. TRAINING MY STAFF TO BE COORDINATED, EFFICIENT AND WORKING AS TEAM PUTTING US ON THE MAP AS ONE OF AUSTIN CHRONICLE'S TOP ROOFTOP DESTINATIONS IN THE CITY
